PROFESSIONAL SUMMARY

Software Developer with a backend focus, building strong foundations in Java, Data Structures & Algorithms, and Computer Science fundamentals. Experienced in developing REST APIs and backend services using Spring Boot, with working knowledge of SQL/MySQL and JWT-based authentication. Currently exploring AI integration, cloud (AWS), and DevOps practices, and seeking Software Development / Backend Development internship opportunities.

TECHNICAL SKILLS

Backend:	Spring, Spring Boot, REST APIs, JWT Authentication
Languages:	Java, C, Python (Basics), JavaScript
Database:	MySQL, DBMS
Core CS:	DSA, Object-Oriented Programming, Operating Systems, Computer Networks
Cloud & DevOps:	AWS, Docker, Git, GitHub, CI/CD, Deployment
AI Integration:	Spring AI, LLM APIs
Frontend:	HTML, CSS, JavaScript, React

WORK EXPERIENCE

InAmigos — Software Developer Intern

Bengaluru | 2 Weeks

- Contributed to software development tasks, gaining hands-on exposure to real-world development workflows.
- Collaborated with the team to understand, develop, and test application features.
- Applied core programming and software engineering concepts in a practical team environment.

PROJECTS

SmartHostelAI — AI-Powered Hostel Management Platform

Python, Flask, SQLite, Bootstrap, JavaScript, Docker, Render

- Built a hostel management platform with role-based dashboards for students, wardens, and administrators.
- Implemented live room allocation for 100 rooms, QR-based gate passes, and complaint tracking to manage day-to-day hostel operations.
- Designed and integrated REST APIs for core platform features; deployed the application using Docker on Render.
- Live Demo: smarthostel-ai.onrender.com | GitHub: github.com/praneel46

Furnivo — Furniture E-Commerce Platform

React, TypeScript, Tailwind CSS, Zustand, React Query, Framer Motion

- Built a furniture e-commerce platform with a responsive UI and product catalog, cart, and wishlist functionality.
- Implemented advanced filtering and global state management using Zustand and React Query.
- Added interactive UI animations using Framer Motion to improve user experience.
- Live Demo: furnivoliving.vercel.app | GitHub: github.com/praneel46

EDUCATION

SJBIT Institute of Technology, Bengaluru

Expected 2028

Bachelor of Engineering, Information Science | CGPA: 9.33/10 (Up to 3rd Semester)
